#### Driving Standards

- 1) If a driver leaves the circuit they must re-join when it is safe to do so. Failure to comply will result in a penalty at the discretion of the Clerk of the Course.
- 2) Passing under a stationary yellow flag will result in a 10 second penalty, if you allow the driver to regain position this penalty will not apply. Passing under a waved yellow WILL RESULT IN A 20 SECOND PENALTY WITH NO APPEAL.
- 3) When a race has finished a yellow flag will be shown at the next post. Racing must stop when you have taken the chequered flag. Drivers must slow to a steady pace. DO NOT overtake on the return to parc ferme. Drivers that do not obey this rule and continue to drive at excess speed will be disqualified from that race and further action may be taken by the Clerk of the Course.
- 4) Any kart causing a red flag incident may only take part in the restart after being inspected by the Scrutineer and at the discretion of the Clerk of the Course.

Complying with Motorsport UK rules and regulations on a Motorsport UK licensed track, without the costs of a Motorsport UK meeting.

- 5) All karts involved in a serious incident must be re-inspected by the Scrutineer before being allowed back on circuit.
  
  - 6) Starts are to be 2 x 2 formations with a rolling lap speed of 10-20mph. Drivers are permitted to regain their place on the rolling lap up to the yellow flag at post 5. The Clerk of the Course has the option to change to standing starts if deemed necessary. The race start will be as C.I.K (as lights go out the race starts). If the correct pace/speed is not obtained by 2 rolling laps the offending drivers will be put to the back of the grid.
  
  - 7) All drivers must obey mechanical flags given within 2 laps. The driver and one mechanic can carry out the repair and return to the race at the discretion of the Scrutineer. Failure to return to parc ferme will result in an exclusion from that race.
- 

## Karts

- 1) All karts must comply to the class rules and regulations at all times on race days.
  
- 2) It is the responsibility of the driver and mechanic to ensure the kart remains in a safe race worthy condition for the duration of the meeting. If in any doubt please ask for it to be re-inspected by the Scrutineer.
  
- 3) If a wet meeting is declared only karts fitted with wet tyres and comply with class regulations, as listed for that class with a minimum 2mm tread depth may start the race.
  
- 4) If additional weight is required, the weights must be secured by 2 fixings e.g. nuts and bolts. Tie wraps are not acceptable. ANYONE carrying "Lead" on their person will be excluded from that race. All tyres, bodywork and engines should be checked after each heat for damage and security.
  
- 5) Timing is by AMB transponder. There is a limited amount to hire for a fee of £10.00, a drivers licence or valid bank card is required as deposit. If you do not have a transponder fitted

you will be able to compete but will not be scored. If you break, lose or misplace a transponder you will be required to pay for a new one. All transponders **MUST** be mounted on the back of the seat.

- 6) On returning to parc ferme karts may be randomly inspected by the Scrutineer to ensure compliance with the rules and regulations.
  
  - 7) Tyres must be of the make and type stipulated by the class rules. Tyres will be marked or bar coded on Scrutineering card. A change of tyre prompted by tyre failure must be approved by the Chief Scrutineer and left in scrutineering until the end of the meeting. Any use of tyre softener or any means known or unknown to gain an unfair advantage from tyres will result in an exclusion from the event.
  
  - 8) Only pump fuel and oil listed by C.I.K. is permitted. Anyone using any unlisted oil must have it cleared by the Scrutineer. Failure to do so will result in an exclusion from the event and a possible ban.
  
  - 9) If we have a class that your outfit is eligible for you must race in that class.
-
